MISHAL BHASIM T M

ELECTRICAL AND ELECTRONICS ENGINEER

Highly motivated Electrical and Electronics Engineering graduate with a solid foundation in electrical circuits, power systems, and electronics. . Eager to apply my theoretical knowledge and practical skills in a challenging role to contribute to the advancement of electrical engineering solutions. Seeking an opportunity to work in a dynamic team that fosters professional growth and innovation.

SKILLS

- Programming Languages: Knowledge of programming languages like C, C++, java and my SQL
- Skills in planning, organizing, and executing engineering projects effectively.
- Strong analytical and problem-solving skills to address engineering challenges.

EDUCATION

ELECTRICAL AND ELECTRONIC ENGINEERING
Bachelor of Engineering
HKBK College of Engineering | 2017 - 2021

PRE UNIVERSITY
2ND PUC
Krupanidhi PU COLLEGE

COURSE

FULL STACK DEVELOPER
PSA Academy 2022-Present

EMBEDDED SYSTEMS
5Square 2021-2022

PROJECTS

FLIGHT RESERVATION

IOT BASED WIFI CONTROLOLED ROBOT
